Quarterly Financial Statements

For the nine month period ended December 31, 2018

Unaudited

NARRATIVE DISCUSSION

These quarterly financial statements must be read in conjunction with the March 31, 2018 audited financial statements of the Canadian Museum of History (CMH) and with this narrative discussion.

OVERVIEW

The Corporation is committed to sustaining a strong financial and operational foundation for the delivery of quality museum programs and services. Responding to the Strategic Directions of its Board of Trustees, the Corporation builds accountability into its operational planning and reporting. The Corporation has at its core, a management culture that fosters excellence and adaptation of best practices for continued improvement. It is accountable to Parliament and Canadians in implementing its mandate.

STRATEGIC DIRECTION

In June 2014, the Corporation's Board of Trustees unveiled five Strategic Directions that introduced new priorities and broadened the Corporation's scope of activities. A detailed set of goals and objectives addresses each direction. The Corporation's five Strategic Directions are as follows:

Establish the Museum as a hub of Canadian history for Canada and the world.

Connect Canadians to their history and reflect this personal connection in all aspects of the Museum experience.

Develop a collection that better reflects Canada's history and distinctiveness.

Engage dynamic partnerships and networks across Canada and internationally for mutual benefit.

Ensure the Museum has the financial resources to carry out its Mandate.

STATEMENT OF OPERATIONS

The Corporation's net results of operations for the nine month period ended December 31, 2018 reflects a surplus of \$4.2 million, compared to \$3.2 million for the prior fiscal year.

Revenues for the period total \$16.6 million, compared to \$21.2 million for the same period of the previous fiscal year. The decrease in revenues is primarily attributable to the following:

- Lower donation and sponsorship revenues in 2018-19. The 2017-18 donation revenues included donations towards the Canadian History Hall project recognition in the second quarter of 2017-18 based on the completion and opening of the Canadian History Hall;
- Decrease in attendance in 2018-19 resulted in lower admission revenues when compared to the same period in the prior fiscal year. The Museum achieved exceptional attendance results in the prior fiscal year, as a result of the opening of the Canadian History Hall and Canada's 150th celebrations;
- Smaller scale facility rental events in 2018-19;
- Lower attendance in 2018-19 leading to a decrease in attendance driven revenues such as boutique and parking revenues.

Operating expenses for the period total \$74.3 million, compared to \$78.5 million for the comparative period of the previous fiscal year. The decrease is mainly explained by lower collection acquisition costs in 2018-19, partially offset by higher amortization expense in 2018-19 due to the completion of the Canadian History Hall. The 2017-18 results included the acquisition of the Wilson hockey collection.

Parliamentary appropriations for the period represent \$61.8 million, compared to the \$60.6 million for the same period in the previous fiscal year. The 2018-19 parliamentary appropriations include the third year of a five year approval for additional capital funding, approved in Budget 2016, to address urgent health and safety related capital projects.

FINANCIAL POSITION

The Museum's unrestricted net assets as of December 31, 2018 represent \$15.0 million. The Museum also has \$14.9 million of restricted net assets, for the refurbishment of permanent exhibition galleries, including the transformation of the Canadian Children's Museum. The Museum completed in 2017-18, the update of the permanent Gallery 4 at the Canadian War Museum. The decrease in restricted net assets is equivalent to the amortization of the capital costs related to this permanent exhibition gallery update.

OUTLOOK

The Corporation continues to be challenged by escalating non-discretionary inflationary increases for utilities, building maintenance, and security costs.

The Corporation is responsible for two iconic national sites, one of which – the CMH – is almost thirty years old, and therefore many of its components have reached or will soon be reaching the end of their expected life cycle.

Management has put in place a plan that addresses immediate risks to the buildings. Management has maintained a comprehensive maintenance program over its facilities, which has reduced the need for extensive repairs, lengthened the life of the components of the building and ensured that issues are identified in a timely manner.

The Corporation will not be able to rely on revenue growth to cover these escalating non-discretionary costs. The Corporation is working with the Department of Canadian Heritage on a long-term solution to costs and aging infrastructure.

STATEMENT OF MANAGEMENT RESPONSIBILITY

Management is responsible for the preparation and fair presentation of these quarterly financial statements in accordance with the Treasury Board of Canada Standard on Quarterly Financial Reports for Crown Corporations and for such internal controls as management determines is necessary to enable the preparation of quarterly financial statements that are free from material misstatement. Management is also responsible for ensuring all other information in this quarterly financial report is consistent, where appropriate, with the quarterly financial statements.

Based on our knowledge, these unaudited quarterly financial statements present fairly, in all material respects, the financial position, results of operations, changes in net assets and cash flows of the Corporation, as at the date of and for the periods presented in the quarterly financial statements.

Notes to the Financial Statements
For the nine month period ended December 31, 2018
(In thousands of dollars)

1. Mission and mandate

The Canadian Museum of History (the "Corporation"), formerly named the Canadian Museum of Civilization, was established on December 12, 2013 through an amendment to the *Museums Act*. The Canadian Museum of History is an agent Crown corporation named in *Part I of Schedule III to the Financial Administration Act* and is not subject to income tax under the provisions of the *Income Tax Act*. The Canadian Museum of History includes the Canadian War Museum.

The mission, as stated in the *Museums Act*, is as follows:

"to enhance Canadians' knowledge, understanding and appreciation of events, experiences, people and objects that reflect and have shaped Canada's history and identity, and also to enhance their awareness of world history and cultures."

The Canadian Museum of History's operations are divided into four mutually supportive activities which work together to meet all aspects of its mandate. These activities are:

Collect and research

Manages, develops, conserves, and undertakes research on the collections to enhance program delivery and augment the scientific knowledge base.

Exhibit, educate and communicate

Develops, maintains, and communicates exhibits, programs and activities to further knowledge, critical understanding, appreciation and respect for human cultural achievements and human behaviour.

Accommodation

Managing and maintaining all facilities and related security and hosting services.

Corporate management

Governance, corporate management, audit and evaluation, fundraising, commercial activities, finance and administration, human resources and information systems.

(Unaudited)

Notes to the Financial StatementsFor the nine month period ended December 31, 2018 (In thousands of dollars)

2. Significant accounting policies

Basis of accounting

These unaudited financial statements have been prepared in accordance with Canadian public sector accounting standards. The Corporation has elected to apply the Section 4200 series for government-not-for-profit organizations, and the deferral method of accounting for contributions.

Basis of preparation

These interim financial statements are intended to provide an update on the latest complete set of audited annual financial statements for the year ended March 31, 2018. Accordingly, they should be read in conjunction with the audited annual financial statements. The interim financial statements are unaudited for all periods presented. The accounting policies used in the preparation of these interim condensed financial statements are consistent with those disclosed in the Corporation's last audited annual financial statements.

Contingencies

In the normal course of its operations, the Corporation becomes involved in various claims or legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded in the Corporation's financial statements.

Measurement uncertainty

The preparation of financial statements in accordance with Canadian public sector accounting standards applicable for government not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses for the period. Employee future benefits, artifact donations and the estimated useful lives of capital assets are the most significant items where estimates are used. Actual results could differ significantly from those estimated.
