The LeBreton Gallery is an impressive exhibit space offering visitors a close-up view of large artifacts from one of the most extensive collections of its kind in the world. The glass-walled gallery is bathed in natural light and offers a stunning view of the Ottawa skyline. It is equipped with a 24' x 16' raised stage and state-of-the-art sound, lighting and video projection equipment. The hall has been hosting a variety of public and private events since 2005, including conferences, concerts, ceremonies and banquets.
